It is unfortunate when a player can no longer play for St. Catharines' CYO Minor Hockey Association, but we are aware that different situations can occur between registration and the start of the season that may require this to occur. In such circumstances, the registering parent is required to submit a **'Request For Refund Form'** located on the forms page of the website, or in the office. Depending on the timeline and reason for request your refund will be granted according to the following. The date the Request for Refund Form is received by the office is the date used to assess the amount of refund (if applicable).

Refunds Prior to Allocation Day for House league are subject to a \$25.00 Administration Fee

Refunds After Allocation Day but Prior to the FIRST GAME (First Practice for Mite/Heat/Tyke) are assessed a \$100.00 Administration Fee

Refunds Prior to the 5th ice session are assessed a \$200.00 Administration Fee

After the 5th ice session there are no refunds to any division/program unless for Medical Reasons.

Medical Refund Requests must be accompanied by a doctor's note. The refund is based on the date the note is received by the CYO office, not the date of injury. Any Note received after January 31, of the season will not be accepted.

MD Non Refundable Deposits: These are absolutely non-refundable. A transfer of funds towards CYO House league fees can be arranged only after the MD space is confirmed filled by the MD program director.

LATE FEES and TRYOUT FEES FOR MD and SELECT are non-refundable.

Juvenile and Alumni Bonds are only refunded with the return of the jersey and in consultation with the division convener.
