Parish Transfer Request Form

St. Catharines CYO Minor Hockey Association has a transfer policy in effect for the coming season. This form is to make everyone wanting to change parishes aware of the policy and what affect it may have on your transfer request.

- We will respect the fact that some people want to leave a particular parish.
- We will try and accommodate your will to move.
- We DO NOT guarantee that you will get to your Parish of choice.
- We WILL NOT return your child to the Parish they are leaving unless you advise us that it is an acceptable second option or it is the last resort.
- Players requesting a Non-Priority Transfer will be assigned to teams after all other registrants from June and August are placed.

In order for our league to understand your transfer request, to assign it a priority and to help us make this a better league we are asking that you consider the reasons for wanting to transfer Parishes.
